Yeah Yeah Yeahs

All my loves are hidden in pieces All my loves are within a wild night All my loves are hidden in pieces All my loves are within a wild nightAll my loves are hidden in pieces All my loves are within a wild night All my loves are hidden in pieces All my loves are within a wild night If they are still up high We'll throw them to the sea If they are still on high We'll throw them to the seaIf they are still up high We'll throw them to the sea Watch the murder of the wilds To the music of the deep Wild night, wild nightAll my loves are hidden in pieces All my loves are within a wild night All my loves are hidden in pieces All my loves are within a wild night If they are still up high We'll throw them to the sea If they are still on high We'll throw them to the seaIf they are still up high We'll throw them to the sea Watch the murder of the wilds To the music of the deep Wild night, wild night Within a wild nightWild night, wild night Wild night, wild night Wild night, wild night
