

What I Like About You

Poison

Hey, uh huh, huh
Hey, uh huh, huh That's what I like about you
The way you hold me tight
Tell me I'm the only one
Wanna come over tonight, yeah You're whispering in my ear
Tell me all the things that I wanna hear
'Cause that's true
That's what I like about you
That's what I like about you You really know how to dance
You go up, down, jump around
Think about true romance, yeah You're whispering in my ear
Tell me all the things that I wanna hear
'Cause that's true
That's what I like about you
That's what I like about you
That's what I like about you
Whoa, hey That's what I like about you
You keep me warm at night
I never wanna let you go
Know you make me feel alright, yeah You're whispering in my ear
Tell me all the things that I wanna hear
'Cause that's true
That's what I like about you
That's what I like about you
That's what I like about you That's what I like about you
That's what I like about you
That's what I l-l-like, baby
That's what I like about you Hey, uh huh, hey, uh huh
Hey, uh huh, hey
