

# Behind These Walls

## No Warning

Our lives are changing  
There's nothing we can do  
To stop everything from spinning around  
Crashing downIf there's a problem  
I know it's just me  
At the end of the day  
You fuckin' face it aloneDon't ask if I'm okay  
It's not okay  
Don't fucking say it isThink about how to arrange your life  
Don't let it run into mine  
And we'll be fine
