

The Right Time

The Animals

You know the right time
(Night and day)
Is the night time
(Night and day)
If you wanna be
(Night and day)
With the girl you love
(Night and day) Oh, baby
(Night and day)
Said, come on baby
(Night and day)
Hold me tight
(Night and day)
think, everything alright
(Night and day) I know the night time
(Night and day)
Oh, is the right time
(Night and day)
If you want to love me
(Night and day)
That's what I say Let me tell you about my mother
(Night and day)
Hum hum and my father
(Night and day)
They're long gone
(Night and day)
Left this poor child cryin'
(Night and day) Oh baby
(Night and day)
Come on baby
(Night and day)
I want you by my side
(Night and day)
You gotta keep me satisfied
(Night and day) I know the night time
(Night and day)
Every night is the right time
(Night and day)
To be with the one you love

(Night and day)
Oh babyNight and day
Night and day
Night and day
Night and day
Night and day
Night and dayNight and day
Night and day
Night and day
Night and day
Night and daySqueeze me
(Night and day)
