

Just Another Star (Live at Brixton)

Bullet for My Valentine

Yeah!
This is what I can see through my eyes
This is the color of your sunrise
This is what I can see from your eyesJump
Jump
Jump
Jump
Can you see the light behind these eyes
Jump
Jump
Jump
Jump
Can you see the light behind these
Eyes eyes
You betrayed me for the last timeYeah!
You betrayed me for the last time
Took the light to see the truth side
This is what I can see from your eyesJump
Jump
Jump
Jump
Can you see the light behind these eyes
Jump
Jump
Jump
Jump
Can you see the light behind these
Eyes eyes
You betrayed me for the last timeYour just another star that's burned out to quickly
But I still see you shining
I'm just another guy who's fucked up immensely
But you still love me why, I don't knowThis what I see through my eyes
Black is the color of your sunrise
This is what I can see through my eyes
This is the color of your sunshineYour just another star that's burned out to quickly
But I still see you shining
I'm just another guy who's fucked up immensely
But you still love me why, I don't knowGo!
