

A Little Better

Gnarls Barkley

Now I can sing you the story line
And if you like my story fine
But ain't none of the glory mine
See my life was a lonely one
And I was still mama's only son
With no idea what I'm gon' become
And I didn't have long to know
That you don't have to be grown to go
I could've died so long before
Then I finally saw the sign
And I made it on down the line
One step at a time
I feel better, I can smile at it now
I feel better, oh better
And even a little is still better
Oh, have mercy on me
Oh, it's probably plain to see
That I got a whole lot of pain in me
And it will always remain in me
So cold it's a crying shame
Yet here I am trying to gain
'Cause I refuse to die in vain
The circumstances put soul in me
And there ain't no holding me
I've got a heart made of gold in me
Can you believe this is where I've been?
And when adversity calls again
I'll deal with it then
I feel better, I can laugh at it now
I feel better, oh better
And even a little is still better
Oh, have mercy on me
Ah ah, yeah, um, oh, oh
I said everything's fine, you can take your time
What would be on your mind
If you knew you was dying?
I would wanna just feel this one more time
I said everything's fine, take your time
What would be on your mind

If you knew you was dying?
I would wanna just feel this one more time

Alright

I want to thank you morning sun

I want to thank you lonely girl

Now I know I'm not the only one

I want to thank you friendly ghost

When all the cards were close

It seems like you cared the most

I want to thank you mom and dad

For hurting me so bad

But you're the best I ever had

I want to thank you
