Bullet

The Rasmus

I think I should go and leave you alone, yeah.
Stop this game and hang up the phone. And more.
I should go into the night alone and get inside of the cyclone.
It's like I wanted to break my bones to get over you.
Cause if I stay, I'm number two anyway.

[Chorus:]
Like a bullet you can hurt me, take me, break me.
Like fire you can burn me, convert me.
Like a bullet you can hurt me.
Like a bullet you can hurt me

You say there are so many things going on in your life now.
It's so very hard to find time for me.
And you say: Do you believe in the destiny?
This is the way it was meant to be.
I gotta leave to make you see I'm over you.
Cause if I stay, I'm number two anyway.

[Chorus]
I can't believe it when my friends say:
Take it easy, don't you worry about the rainy days.
Like fire you can burn me, convert me.
Like a bullet you can hurt me.

Maybe I'm blind, forever young.
Don't get me wrong, I don't belong here.
Like fire you can burn me.
Like a bullet you can hurt me

[Chorus]
I can't believe it when my friends say:
Take it easy, don't you worry about the rainy days.
Like fire you can burn me, convert me.
Like a bullet you can hurt me.

Like a bullet you can hurt me
Please hurt me
