

# Silver Bullet

[DJ Mika](#)

Tonight, we'll fly away so high  
Our first full moon sky I'll breathe you in  
I won't let you down  
I won't hold you back  
I won't make a sound I know what scares you the most  
Being alone or just like them  
Being alive while feeling so, dead At least you'll have my heart  
You know, you shine so bright I got a single silver bullet  
Shot right through my heart  
To prove I can survive  
Without you I got a single silver bullet  
Shot right through my heart  
To prove I can survive Can you sleep at night  
If I hold you tight?  
I won't let you go  
This feels so right Please don't leave this time At least you'll have my heart  
You know, you shine so bright I got a single silver bullet  
Shot right through my heart  
To prove I can survive  
Without you I got a single silver bullet  
Shot right through my heart  
To prove I can survive Tonight, we'll fly away so high  
Tonight, we'll fly away  
You know the moon is full and  
I can't live without you Tonight, we'll fly away  
Tonight, tonight  
Tonight, we'll fly away  
Tonight I got a single silver bullet  
Shot right through my heart  
To prove I can survive  
Without you I got a single silver bullet  
Shot right through my heart  
To prove I can survive
