

Mrs. Hippopotamuses'

Relient K

(O-H! I-O!) I owe it to you

There's nothing better than knowing where you come from (Here we go Brownies, here we go, woof! woof!)

O-H!

(I-O! Here we go Brownies, here we go, woof! woof!)I grew up in the sticks small town, Erie Canal

Tuscarawas Valley, class clowns, and dairy cows

Sometimes we know it's getting better than it is right nowWe're living simple, there's a chance to let it all take
pace

And watch it ride around you, shed some life upon your face

I wish it didn't take me all this time to figure it out

(O-H-I-O!)

Now everybody say "Let's hear it for the Cleveland Browns."

Before the Cuyahoga River burns the whole downtown

Sandusky summertime's just 45 minutes away

(O-H-I-O!)

They do karate while we're setting up and checking the sounds

Someone singing along with Rivers in it so you say

Sandusky summertime's just 45 minutes away

(O-H-I-O!)(O-H! I-O! Here we go Brownies, here we go, woof! woof!)

(O-H! I-O! Here we go Brownies, here we go, woof! woof!) There's nothing better than knowing where you
come fromI watched a generation to grow up and graduate

There's all this light around you, oh how you radiate

But oh, what you gonna do

Ooh no, what you gonna doWe're living simple, there's a chance to let it all take pace

And watch it ride around you, shed some life upon your face

I swear I feel it in me, I'm telling you it's true

(O-H-I-O!)

Now everybody say "Let's hear it for the Cleveland Browns."

Before the Cuyahoga River burns the whole downtown

Sandusky summertime's just 45 minutes away

(O-H-I-O!)

Mrs. Hippopotamuses', Otter Water Park admission

We'll ride the roller coasters over every holiday

Sandusky summertime's just 45 minutes away(O-H! I-O!)

Here we go Brownies, here we go (woof! woof!)

O-H! I owe it to you

There's nothing better than knowing where you come from
