

Burn The Witch (U.N.K.L.E. Variation)

Queens of the Stone Age

Holding hands
Skipping like a stone
On our way
To see what we have done
The first to speak
Is the first to lie
The children cross
Their hearts & hope to dieBite your tongue
Swear to keep your mouth shutAsk yourself
Will i burn in Hell?
Then write it down
& cast it in the well
There they are
The mob it cries for blood
To twist the tale
Into fore wood
Fan the flames
With a little lie
Then turn your cheek
Until the fire dies
The skin it peels
Like the truth, away
What it was
I will never say...Bite your tongue, swear to keep
Keep your mouth shut
Make up something
Make up something good...
Holding hands
Skipping like a stone
Burn the witch
Burn to ash & bone
