

Dig What I Say

Peter Frampton

Put on some make-up baby, dress up to kill
Dig what I'm saying, 'cause it gives me a thrill
That's what I want to see, you know it's all for me
Well, you have a way about you, drives me insane
Well, where are your stockings baby, I don't want you tame?
That's all I want to do, you know it's all for you
Come with me now, walk in the wild
Watching your face, the face of a child
Don't be afraid to let yourself go
Do what you want, no one will know
You drive me crazy with your golden beret

Dig what I'm saying, I'm sure it's okay
I'm getting used to you but you're always new
Come with me now, walk in the wild
Watching your face, the face of a child
Don't be afraid to let yourself go
Do what you want, no one will know
Come with me now, walk in the wild
Watching your face, the face of a child
Don't be afraid to let yourself go
Do what you want, no one will know
