

# My Mom

Tony Bennett

I've got one real friend more than a friend I find  
The way I feel friend, she's all of this heart of mine  
I'm all for her I know she'll always be for me  
I'm on my way friend, I'm going home to see  
My mom, I love her  
My mom, you'd love her  
Who wouldn't love her, my mom  
That sweet somebody, thinks I'm somebody  
My pal, my buddy, my mom  
Anything I do she's my only inspiration  
Anytime I'm blue she's my only consolation  
As years come on her  
I gaze upon her  
She's my Madonna  
My mom  
My pal, my buddy, my mom  
Yes, anything I do she's my only inspiration  
Anytime I'm blue she's my only consolation  
As years come on her  
I gaze upon her  
She's my Madonna  
My mom
