

Monoculture (Antoine 909 & Oggie B Edit)

Soft Cell

Why don't I just give up
And do myself a favor?
My life is slowly turning grey
And losing all its flavor
Everything the same
Again and again and again
Everything the same
Again and again and again Over and over and over
Again and again and again
Monoculture
Over and over and over
Again and again and again
Monoculture
No change
The world has gone insane
Everything that's old
Is new again Monoculture
Monoculture
Monoculture Why don't I just give up
And submit to the great God of Bland?
All my exotic gestures
No longer in demand
Everything the same
Again and again and again
Everything the same
Again and again and again Over and over and over
Again and again and again
Monoculture
Over and over and over
Again and again and again
Monoculture
Monoculture
It's the same
Monoculture
Monoculture
Mediocre
Monoculture
Monoculture
Mediocre Over and over and over

Again and again and again

Monoculture

Over and over and over

Again and again and again

MonocultureNo change

The world has gone insane

Everything that's old

Is new againMonoculture

Mediocre

The same

Ordinary

Boring

Mediocre

The same

Ordinary

Boring
