Goldrush

Yello

Give me your goldGold, gold
Gold, gold
Gold, goldGoldBlue moon is walking
These lips are smoking
Big time disaster
My heart gets fasterMy pot is melting
Doctors consulting
Destiny
Give it to meThis is your show
And it's old and it's a wonder
This day I give it to you
Give it to youGive me your gold
Give me your goldYou got a nugget in your pocket
Got a nugget in your hand
You got a nugget in your pocket
Got a nugget for a grandSo forget your hesitation
Take a dozen invitation
Like it's for a great confusion
Like it's for a grand illusionClouds, love, stars, colorsGoldrush
Goldrush, rushYou got a nugget in your pocket
Got a nugget in your hand
You got a nugget in your pocket
Got a nugget for a grandSo forget your hesitation
Take a dozen invitation
Like it's for a great confusion
Like it's for a grand illusionClouds, love, stars, colorsGoldTake it into the nightGold
