

Nobody's Business (feat. Chris Brown)

Rihanna

You'll always be mine, sing it to the world
Always be my boy, I'll always be your girl
Nobody's business, aint nobody's business
Aint nobody's business, but mine, and my baby
Mine, and my baby, but mine, and my baby
But mine, and my baby, oooh
I love I love I love you baby
I love I love I love you baby
Me and you, get it?
Aint nobody's business
Said it, aint nobody's business
Your love is perfection, please point me in the right direction
Imma give you all my affection
Every touch becomes infectious
Let's make out in this Lexus
There's no other love just like this
A life with you I want, then can we become love's persona
You'll always be the one that I wanna come home to
Boy let me love you and show you how special you are
I wanna be your baby, you'll always be my baby
Tell me what you want now
Let's sing it to the world
Baby give me time
Imma be your girl
I wanna make you mine
And it aint nobody's business
It aint nobody's business
It aint nobody's business
It aint nobody's business
Just mine, and my baby
Your love is perfection, please point me in the right direction
Imma give you all my affection
Every touch becomes infectious
Let's make out in this Lexus
There's no other love just like this
A life with you I want, then can we become love's persona
You'll always be the one that I wanna come home to
Girl let me love you and show you how special you are
I wanna be your baby, you'll always be my baby

Tell me what you want now
Sing it to the world
Baby give me some
You gon my girl
I wanna make you mine
And it aint nobodys business
It aint nobodys business
It aint nobodys business
It aint nobodys business
Just mine, and my baby
Aint nobodys business
Said it, aint nobodys business
It aint nobodys business
It aint nobodys business
Youll always be mine, sing it to the world
Always be my boy, always be my girl
Nobodys business, aint nobodys business
Aint nobodys business, aint nobodys business
But mine and my baby
