Best of Me

Sum 41

It's so hard to say that I'm sorry I'll make everything alright All these things that I've done

Now what have I become and where'd I go wrong?I don't mean to hurt, just to put you first I won't tell you lies

(I'm sorry)

I will stand accused with my hand on my heart I'm just trying to sayI'm sorry, it's all that I can say

You mean so much

And I'd fix all that I've done if I could start again

I'd throw it all away to the shadows of regrets

And you would have the best of meI know that I can't take

Back all of the mistakes but I will try

Although its not easy

I know you believe me 'cause I would not lieDon't believe their lies told from jealous eyes

They don't understand

(I'm sorry)

I won't break your heart, I won't bring you down But I will have to sayI'm sorry, it's all that I can say

You mean so much

And I'd fix all that I've done if I could start again I'd throw it all away to the shadows of regrets

And you would have the best of meI'm sorry, it's all that I can say

You mean so much

And I'd fix all that I've done if I could start again
I'd throw it all away to the shadows of regrets
And you would have the best of me
