

Start Your Brain

Suicidal Tendencies

[Mike Muir]Start your brain! I'm thinking, man!

Start your brain, start your brain, start your brain, rev it up and ride!

Start your brain!

You got to start your brain!

Start your brain, rev it up and go

Learn the things that you don't wanna know

Do the things that you don't wanna do

It will tell a lot about you

Start your brain, rev it up and ride!

Start your brain, rev it up and ride!

Start your brain, rev it up and ride!

Start your brain, rev it up and ride!

Rev it up and ride!

Rev it up and ride!

Start your brain, rev it up and ride

It's been way too long since you have tried

Take your attitude and give it a rest

And anything you do, give it your best

Start your brain, rev it up and go

There's so many things that you don't know

Don't waste your time trying to impress

And spend that time cleaning up that mess

Start your brain, rev it up and ride!

Start your brain, rev it up and ride!

Start your brain, rev it up and ride!

Start your brain, rev it up and ride!

Rev it up and ride!

Rev it up and ride!

[guitar solos]Start your brain, rev it up and ride!

Start your brain, rev it up and ride!

Start your brain, rev it up and ride!

Start your brain, rev it up and ride!

Rev it up and ride!

Rev it up and ride!

Start your brain!

You got to start your brain!

Start your brain, rev it up and ride

Figure out who you are deep inside

Take your attitude and give it a rest
And anything you do, give it your best
So, start your brain, rev it up and ride
Figure out who you are deep inside
Take your attitude and give it a rest
And anything you do, give it your best
Start your brain, start your brain, start your brain and ride!
