

# Sometimes

## Noisettes

I am an island underneath the setting sun  
In an ocean that is churning  
For all I know there might be nobody nearby  
Still, the world it keeps on turning  
And when that sun goes down  
It gets brighter in my heart somehow  
I don't know why this is  
But it's what I want to know  
Sometimes we start over and go solo  
We're looking for that summer home  
Beside the sea and for the future  
Since I left you  
I'm a gold balloon that wanders high  
I won't sing through rainbows and showers  
Taking lovers just might keep my tears at bay  
But the dam will break at any hour  
By candlelight you seem  
To deepen in your mysteries  
Confusing forces a pool  
Let me at the tides of these seas  
Sometimes we start over and go solo  
We're looking for the ones we've hurt  
Just to forgive us in the future  
Sometimes we start over, go solo  
No metaphors are needed from  
This time onwards in this song  
And when the sun goes down  
It gets brighter in my heart somehow  
I don't know why this is  
But it's what I'd like to know  
Yeah, sometimes we start over and go solo  
We're looking for the ones we've hurt  
Just to forgive us in the future  
Sometimes we start over, just go solo  
No metaphors are needed from  
This time onwards in this song
