

# Summer's Kiss (Remastered)

## The Afghan Whigs

Did you feel the breeze?  
My love  
Summer's kiss is over, baby  
OverDo you know the words?  
Sing along with me  
And put on your rose fur coat, baby  
It's 1973My love, this dream I have each night  
I stare into a blinding light  
Alone, I stare  
Demons, be goneAway from me  
And come on down to the corner  
I got something i want you to see  
The burning sunToo hot for shade  
Come lay down in the cool grass  
With me, baby let's watch that  
Summer fadeMy love, this dream I have each night  
I stare into a blinding light  
Alone, I stare  
So sweetThis dream is not a dream  
I wake with it  
Inside of me  
Alone, I swear
