

The Crow & the Butterfly

Shinedown

I painted your room at midnight
So I'd know yesterday was over
I put all your books on the top shelf
Even the one with the four leaf clover
Man, I'm getting older I took all your pictures off the wall
And wrapped 'em in a newspaper blanket
I haven't slept in what seems like a century
And now I can barely breathe Just like a crow chasing a butterfly
Dandelions lost in the summer sky
When you and I were gettin' high as outer space
I never thought you'd slip away
I guess I was just a little too late Your words still serenade me
Your lullabies won't let me sleep
I've never heard such a haunting melody
Oh, it's killing me
You know I can barely breathe Just like a crow chasing a butterfly
Dandelions lost in the summer sky
When you and I were gettin' high as outer space
I never thought you'd slip away
I guess I was just a little too late Just like a crow chasing a butterfly
Dandelions lost in the summer sky
When you and I were gettin' high as outer space
I never thought you'd slip away Like a crow chasing a butterfly
Dandelions lost in the summer sky
When you and I were gettin' high as outer space
I never thought you'd slip away
I guess I was just a little too late
Oh, just a little too late
