# Hello Again

## Tommy Lee

There's so much to say to you from here
Is this transmission coming clearly?
Do you hear me?.. Yeah
The paper is not pealing off the walls
Good year, til it all falls, til it all falls yeah
Hello, again, hello there
It's been so long
And this place is not the same without you
Hello, (Hello, hello) hello there
It's been so long
And the colors all turn gray without you
And so far
There's nothing I can do to not remember
To Not remember, you're so lucky
And so far (far away)
I've been living underground to keep the day out
(keep the day out, you're so lucky)
Hello, again, hello there

It's been so long
And this place is not the same without you
Hello, (Hello, hello) hello there
It's been so long
And the colors all turn gray without you
I've been wandering the halls
(I've been wandering the halls)
This place is quiet as a church
(As a church)
Hello, again, hello there
It's been so long... it's been so long
Hello, again, hello there
It's been so long
And this place is not the same without you
Hello (Hello, hello) hello there
It's been so long
And it's so nice to see you... again
Hello again, where have you been?
Hello again, hello there....
