

# Hello Again

Tommy Lee

There's so much to say to you from here  
Is this transmission coming clearly?  
Do you hear me?... Yeah  
The paper is not peeling off the walls  
Good year, til it all falls, til it all falls yeah  
Hello, again, hello there  
It's been so long  
And this place is not the same without you  
Hello, (Hello, hello) hello there  
It's been so long  
And the colors all turn gray without you  
And so far  
There's nothing I can do to not remember  
To Not remember, you're so lucky  
And so far (far away)  
I've been living underground to keep the day out  
(keep the day out, you're so lucky)  
Hello, again, hello there

It's been so long  
And this place is not the same without you  
Hello, (Hello, hello) hello there  
It's been so long  
And the colors all turn gray without you  
I've been wandering the halls  
(I've been wandering the halls)  
This place is quiet as a church  
(As a church)  
Hello, again, hello there  
It's been so long... it's been so long  
Hello, again, hello there  
It's been so long  
And this place is not the same without you  
Hello (Hello, hello) hello there  
It's been so long  
And it's so nice to see you... again  
Hello again, where have you been?  
Hello again, hello there....
