

Scissor Man

Primus

Snipping, snipping, snipping goes the scissor man

Putting end to evil doers games

Snipping, snipping, snipping goes the scissor man

Maybe you are in his book of names

Maybe you are in his book of names

So be kind and helpful to your mother

Just think twice before you try to steal

When he cuts with sticky silver snippers

You may find the wounds will never heal

All self made bad boys

If you refuse to believe he exist

You won't be frightened when you find out

You're on his list

You're on his list

You're on his list

Snipping, snipping, snipping goes the scissor man

Putting end to evil doers games

Snipping, snipping, snipping goes the scissor man

Maybe you are in his book of names

Maybe you are in his book of names

So be kind and never poison people

Just think twice before the deed is done

When you wake up guilty in the morning

You may find important pieces gone

All self made bad boys

If you refuse to believe he exist

You won't be frightened when you find out

You're on his list

You're on his list

You're on his list

Snipping, snipping, snipping goes the scissor man

Putting end to evil doers games

Snipping, snipping, snipping goes the scissor man

Maybe you are in his book of names

Maybe you are in his book of names

All self made bad boys

If you refuse to believe he exist

You won't be frightened when you find out

You're on his list

You're on his list
You're on his list
Snipping, snipping, snipping goes the scissor man
Putting end to evil doers games
Snipping, snipping, snipping goes the scissor man
Maybe you are in his book of names
Maybe you are in his book of names
Snipping
Snipping
Snipping
Snip
Snip
Snip
Snipping
Snip
