Raven

Lisa Marie Presley

And as the raven flies, she feels unwelcome
She's fallen out of her tree
Caught on a limb of silver linin'
Her wings uncertain oh but she's still flyin'
Yeah little raven, I see you there
Hold your head up now
I won't try and pull your feathers out I promise
Go on dry your eyes
You know that I've forgiven you and I'm sorry
And everything till now
It wasn't that bad really, beautiful lady
Why don't you fly with me?
We'll have a chat and a cup of tea
And a long lost need to see who's really there
And you'll finally be okay with me
And I'll hear your stories that fill your sad eyes
When you had raven hair
Hold your high up high
I know that I've been ruthless, I've been ruthless
Go on dry your eyes
You know that I've forgiven you and I'm sorry
And everything till now
It wasn't that bad really, beautiful lady
Go on dry your eyes
Hey you finally see me, hi and I see you
And everything till now
It wasn't that bad really, beautiful lady
Go on dry your eyes
You know that I've forgiven you and I'm sorry
And everything till now
It wasn't that bad really, beautiful lady
