

Oh La La

Monrose

Ow, yeah
Oh la la
Uh, come here
Oh, la la la la
Oh, la la la la
Oh, la la la (uh)
What I want from this life only god knows
I want a rough cut brother kind of macho
Who puts rings on my fingers and on my toes
And when you give it to me boy you make say
 Oh la la la
 Take it down low
 Teach me all the things that I
 Don't Know
 And don't rush baby take it
 Real slow
 No one minute man
 This girl right here is a marathon fan
 You gangster boy with your magazine
What you packing down there in your baggy jeans?
You're flashing your swag like you want to play
 You're flashing your swag
 Like you just want to play
You know just how to blow my bubble
 Got me so hot
 Boy you in trouble now
 Come and give me what I need
 Don't stop 'till you hear me scream
 Oh, la la la la la la
 Just how I like it baby
 Oh, la la la la la la
 You finger lick my pages baby
 Oh, la la la la la la
 It's how you do it baby
 Oh, la la la la la la
 Come here, come here
I don't want to sound pushy but I got to say
I want a brother who can hit it in the best way
His rhythm's gotta so make my hips sway

And if the sparks ain't flying
Than it's gonna be "see ya"
 Oh no
I think you getting closer to the

 You know
Better slow down baby don't you
 Unload
 I ain't ready to go
 Cause if you pulling out now
 Than you're out of the show
You gangster boy with your magazine
What you packing down there in your baggy jeans?
You're flashing your swag like you want to play
 You're flashing your swag
 Like you just want to play
You know just how to blow my bubble
 Got me so hot
 Boy you in trouble now
 Come and give me what I need
 Don't stop 'till you hear me scream
 Oh, la la la la la
 Just how I like it baby
 Oh, la la la la la
You finger lick my pages baby
 Oh, la la la la la
 It's how you do it baby
 Oh, la la la la la
 Come here, come here
You know you gotta work it [3x]
 When you do what you do
 Like you do when you do
You know you gotta work it [3x]
 Oh, la la la
 Oh, la la la la la (oh, la la)
 Just how I like it baby
 Oh, la la la la la
You finger lick my pages baby (baby)
 Oh, la la la la la
 It's how you do it baby
 Oh, la la la la la
 Come here, come here (baby)
 Oh, la la la la la
 Just how I like it baby
 Oh, la la la la la

You finger lick my pages baby
Oh, la la la la la la
It's how you do it baby
Oh, la la la la la la
Come here, come here
