A Song For You

Neil Diamond

[Originally by Leon Russell]I've been so many places
In my life and time
I've sung a lot of songs
I've made some bad rhyme
I've acted out my love in stages
With ten thousand people watching
But we're alone now and
I'm singing this song for you
I know your image of me
Is what I hope to be
I've treated you unkindly
But darlin' can't you see
There's no one more important to me
Darlin' can't you please see through me
Cause we're alone now and
I'm singing this song for you
[Chorus]You taught me precious secrets
Of the truth with holding nothing
You came out in front and I was hiding
But now I'm so much better

And if my words don't come together
Listen to the melody
Cause my love is in there hiding
I love you in a place
Where there's no space or time
I love you for in my life
You are a friend of mine
And when my life is over
Remember when we were together
We were alone and
I was singing this song for you
[Chorus]I love you in a place
Where there's no space or time
I love you for in my life
You are a friend of mine
And when my life is over
Remember when we were together
We were alone and

I was singing this song for you
We were alone and
I was singing this song for you
