

A Song For You

Neil Diamond

[Originally by Leon Russell]I've been so many places

In my life and time

I've sung a lot of songs

I've made some bad rhyme

I've acted out my love in stages

With ten thousand people watching

But we're alone now and

I'm singing this song for you

I know your image of me

Is what I hope to be

I've treated you unkindly

But darlin' can't you see

There's no one more important to me

Darlin' can't you please see through me

Cause we're alone now and

I'm singing this song for you

[Chorus]You taught me precious secrets

Of the truth with holding nothing

You came out in front and I was hiding

But now I'm so much better

And if my words don't come together

Listen to the melody

Cause my love is in there hiding

I love you in a place

Where there's no space or time

I love you for in my life

You are a friend of mine

And when my life is over

Remember when we were together

We were alone and

I was singing this song for you

[Chorus]I love you in a place

Where there's no space or time

I love you for in my life

You are a friend of mine

And when my life is over

Remember when we were together

We were alone and

I was singing this song for you
We were alone and
I was singing this song for you
