

Unique

Lenka

Ooh ooh ooh, ooh ooh ooh
Ooh ooh ooh, ooh ooh ooh
Ooh ooh ooh, ooh ooh ooh
Ooh I'm happy to be sad
It's funny when I'm mad
I don't really make sense
But I know that that's not bad
I'm lonely in a crowd
And I'm quiet when it's loud
No I don't know what I want

But I'll figure it all out I like to move around to a different beat
I'll walk away then smile in my own street
And I don't really mind when you are fake
'cause I am me and that's unique
I'm living in my own world everyday
I'll party by myself in my own way
Might look a little funny but that's okay
'cause I am me and that's unique
Ooh ooh ooh, ooh ooh ooh
Ooh ooh ooh, ooh ooh ooh
Ooh ooh ooh, ooh ooh ooh

I am me and that's unique I love you when you're mean
I feel dirty when I'm clean
No I don't really make sense
But I know that you know what I mean
I'm hungry late at night
And I'm tired when it's light

I've got my imperfections but I know that that's alright I like to move around to a different beat
I'll walk away then smile in my own street
And I don't really mind when you are fake
'cause I am me and that's unique
I'm living in my own world everyday
I'll party by myself in my own way
Might look a little funny but that's okay
'cause I am me and that's unique Why should I be like everybody
It's overrated being ordinary Ooh ooh ooh, ooh ooh ooh
Ooh ooh ooh, ooh ooh ooh
Ooh ooh ooh, ooh ooh ooh

I am me and that's unique I like to move around to a different beat

I'll walk away then smile in my own street
And I don't really mind when you are fake
'cause I am me and that's unique
I'm living in my own world everyday
I'll party by myself in my own way
Might look a little funny but that's okay
'cause I am me and that's unique oh yeah Ooh ooh ooh, ooh ooh ooh
Ooh ooh ooh, ooh ooh ooh
Ooh ooh ooh, ooh ooh ooh
I am me and that's unique Ooh ooh ooh, ooh ooh ooh
Ooh ooh ooh, ooh ooh ooh
Ooh ooh ooh, ooh ooh ooh
I am me and that's unique
