

# The Recollection Facility, Pt. 3

## Pharoahe Monch

I'm sorry Pharoahe Monch, 13 alpha, 13, renegade 13  
Or whatever you would like to be referred to as of this moment  
But during your hibernation period here at Recollection  
10 years have passed, It is now the year 2024  
And by government law 001666, we are sentencing you to life imprisonment  
For the violation of the world freethinking agreement
