

# God (Interlude)

## Outkast

God  
Come in God  
God come in God  
Damn you're a girl  
Well, I guess the reason why I'm talking to you tonight is  
'Cause I've been doing a lot of thinking and  
I consider myself a pretty cool guy  
And I've never cheated on any of my girlfriends  
Well, well except that one little time in Japan but  
That was just some head, and head don't count right?  
Ah, thanks God I knew you'd understand  
Well, I just feel like,  
Well, to be honest with you  
God, I just need a sweet bitch  
You know, somebody not too fast  
But not too slow  
'Cause I don't have it all my damn self  
And life ain't easy  
You know you just want somebody by your side to help smooth that thang out  
You know what I'm talking bout?  
And, at this point  
I mean I am not being picky  
She doesn't even have to have a big ol' ass, you know  
Just something well proportioned to her body  
You know a nice little tail, you know  
What?  
You say, you say you found somebody?  
Is she cute?  
So when do I get to meet her?  
Ah, God your the greatest  
Well, I guess I'll talk to you later  
Amen  
Oh I'm sorry, I'm sorry  
A lady
