

# In Another World

Barry Manilow

This is the first time on my own  
This is the first time I've ever been alone like this  
The silence covers wall to wall  
I never knew how suddenly the night can fall  
Far away  
I can here the city screams  
Drift away  
I could be beside you in my dreams[Chorus]  
In another world  
I could walk away  
Pretend there was nothing  
I wouldn't need you anywayIn another world  
But not in this world  
I have no stronghold to defend  
But still my heart is outside, beating at the door again  
No promises to make or keep  
And though I'm free to go  
I end up chasing sleep again  
Drift away  
Wonder if you think of me  
Yesterday, is the place I'm going endlessly[Chorus]And though I realize the truth  
Is not idealized in you  
Why should I be surprised to find  
That you are always on my mind[Chorus: x 2]This is the first time on my own  
This is the first time I've ever been alone like this  
The silence covers wall to wall  
I never knew how suddenly the night can fall  
Far away  
I can here the city screams  
Drift away  
I could be beside you in my dreams[Chorus]In another world  
But not in this world  
I have no strong hold to defend  
But still my heart is outside, beating at the door again  
No promise to make or keep  
One thought I'm free to go  
I end up chasing sleep again  
Drift away  
Wonder if you think of me

Yesterday, is the place I'm going endlessly[Chorus]And though I realize the truth  
Is not that I desire in you  
Why should I be surprised to find  
That you are always on my mind[Chorus: x 2]  
This is the first time on my own-acap
