

In Times When My Head (2015 Remastered)

Carly Simon

In times in my head
Was together about you
I was an expert a silence
I enjoyed the blonds in their red jeeps
Stopping you on the street
Knowing none could compare with me
In my airy skirts and cool retreats(Chorus)
In times when my head was together about you
I was an expert at silence
You could have told the truth all the time
I was that at ease inside
You never made me cry
And then one night I lied
I got down with a boy in the backwoods
I didn't tell you and you didn't see
And that's when jealousy got the dog up in meNow every look you get
Seems like another threat
I pick your pockets almost hoping to find
Something to hurt about, to prove you unkindOh but I still love you, baby
though now I jsut can't sit still
And though that boy meant nothing to me
I believe I've lost that simple thrill of the...
