Ours

The Bravery

Elevator buttons and morning air Stranger's silence makes me wanna take the stairs If you were here, we'd laugh about their vacant stares But right now, my time is theirs Seems like there's always someone who disapproves They'll judge it like they know about me and you And the verdict comes from those with nothing else to do The jury's out, but my choice is you So don't you worry your pretty little mind People throw rocks at things that shine And life makes love look hard The stakes are high, the water's rough, but this love is ours You never know what people have up their sleeves Ghosts from your past gonna jump out at me Lurking in the shadows with their lip gloss smiles But I don't care 'cause right now you're mine And you'll say don't you worry your pretty little mind People throw rocks at things that shine And life makes love look hard The stakes are high, the water's rough, but this love is ours And it's not theirs to speculate if it's wrong and Your hands are tough but they are where mine belong in I'll fight their doubt and give you faith with this song for you 'Cause I love the gap between your teeth And I love the riddles that you speak And any snide remarks from my father about your tattoos will be ignored 'Cause my heart is yours So don't you worry your pretty little mind People throw rocks at things that shine And life makes love look hard And don't you worry your pretty little mind People throw rocks at things that shine But they can't take what's ours, they can't take what's ours The stakes are high, the water's rough, but this love is ours
