Somethin' Else

Stray Cats

Hey look it there, here she comes
Here comes that girl again
Wanted to date her since I don't know when
She don't notice me when I pass
She goes with other guys that are outta my classThat can't stop me from a-thinkin' to myself
She's sure fine lookin' man
She's somethin' elseHey look it there, across the street
There's a car made just for me
To own a car would be a luxury
Right now I can't afford the gas
A brand new convertible is outta my classThat can't stop me from a-thinkin' to myself
That car's fine lookin' man
It's somethin' elseHey look it here, what's all this?
Work hard and save my dough
Got the car, I've been wantin' so
Get me the girl we'll go ridin' around
Look real sharp with the white top downI'll keep right on a-dreamin' and a-thinkin' to myself
When it all comes true man
That's somethin' elseHey look it here, what's all this?
Never thought I'd do this before
Here I am knockin' down your door
My car's out front, it's all mine
A '41 Ford not a '59I got that gal, I'm a-thinkin' to myself
She's sure fine lookin' man
She's somethin' elseShe's sure fine lookin' man
She's somethin' else
She's sure fine lookin' man
She's somethin' else
She's sure fine lookin' man
She's somethin' else
She's sure fine lookin' man
She's somethin' else
