

Mr. Tony

Robert Bradley's Blackwater Surprise

I went down to Mississippi
Stopped a night in New Orleans
There was so many pretty women
So many answers to my dreams Well, I went to see Mr. Tony
[Incomprehensible] my shoe
He was there sittin' there rollin' a stogey
Diggin' on good ol' rhythm and blues Sometimes I feel like lovin'
Sometimes I feel like kissin' too
Sometimes I feel like lovin'
But most of all I like lovin' you Well, I went up to New York City
Tiffany gold diamond ring
But girl, there's so many things happenin'
You showed me how to play the game Sometimes I feel like lovin'
Sometimes I feel like kissin' too
Sometimes I feel like lovin'
But most of all I like lovin' you Sometimes I feel like lovin'
Sometimes I feel like givin' too
Sometimes I feel like lovin'
But most of all I like lovin' you Sometimes I feel like lovin'
Sometimes I feel like kissin' too
Sometimes I feel like lovin'
Most of all, most of all, most of all
I like lovin' you, I like lovin' you Lovin' you, baby
I like lovin' you, I like lovin' you
I like lovin', you, you, you, you
