

Arthur's Theme (Best That You Can Do)

Barry Manilow

Once in your life you find her
Someone that turns your heart around
And next thing you know you're closing down the town
Wake up and she's still with you
Even though you left her way across town
Wondering to yourself, "Hey, what've I found?"
When you get caught between the moon and New York City
I know it's crazy but it's true
If you get caught between the moon and New York City
The best that you can do, the best that you can do is fall in love
Arthur, he does as he pleases
All of his life, he's mastered choice
But deep in his heart, he's just, he's just a boy
Living his life one day at a time
And showing himself a real good time
Laughing about the way they want him to be
When you get caught between the moon and New York City
I know it's crazy but it's true
If you get caught between the moon and New York City
The best that you can do, the best that you can do is fall in love
When you get caught between the moon and
New York City
I know it's crazy but it's true
If you get caught between the moon and New York City
The best that you can do, the best that you can do is fall in love
(When you get caught between the moon and New York City)
I know it's crazy but it's true
If you get caught between the moon and New York City
The best that you can do
