## **Get Along**

## **Kevin Fowler**

Well, I thought it was love at first sight

You pulled the gloves off that first night

Came out swingin', fightin' all night long

Yeah, we've been goin' round and round

You've beat me up, you've beat me down

Don't think that we'll ever get alongSo why don't you get along, get along

It's high time you got good and gone

We can't seem to get along

So why don't you get movin' on

Holdin' out, holdin' on

Tried to hard for way too long

Girl, I think it's time you get alongWell, you're stubborn as an old pack mule

You'd argue with a barstool

Set you off and you'd fly right through the roof

Yeah, you're horny as an old wet hen

You rule the roost with all your men

Think it's time you finally flew the coupSo why don't you get along, get along

It's high time you got good and gone

We can't seem to get along

So why don't you get movin' on

Holdin' out, holdin' on

Tried to hard for way too long

Girl, I think it's time you get along Yeah, let's not try to work this out

Pack your bags and pack your mouth

Don't let that screen door hit you

When you're on your way out

You're hell on wheels, you take the cake

Meaner than a rattlesnake

Just one thing left that I need from youSo why don't you get along, get along

It's high time you got good and gone

We can't seem to get along

So why don't you get movin' on

Holdin' out, holdin' on

Tried to hard for way too long

Girl, I think it's time you get along Yeah, I think it's time you get along
