

# I Hate It When We're Sober

Ben Bradley

The number you have dialed has been disconnected  
Or is no longer in service,  
Please check the number and dial again

I hate it when we're sober  
There's a thousand things i'd rather be  
Than a loner, than a stoner  
I hate it when we're sober  
Don't ask my why I find it hard to breathe  
You will never, uncover

Liquor, liquor  
Bottles tore  
We just want more  
That's none of yours  
So let's drink some more  
No way, no way, stop  
We'll just call the cops  
Count your blessings, blessings  
And then a lesson (Sober)

There's a thousand things i'd rather be  
Than a loner, than a stoner  
I hate it when we're sober  
Don't ask my why I find it hard to breathe  
You will never, uncover

Fill up, fill up, my cup  
Make me throw-up  
You will never know why, I find it hard to cry  
Losing control, now I have no soul  
But I guess that's how, I bring my life around (Sober)

There's a thousand things i'd rather be  
Than a loner, than a stoner  
I hate it when we're sober  
Don't ask my why I find it hard to breathe  
You will never, uncover

Why, why do I try?

To be one with the guy  
My oh, my how I try  
To learn how to fight, so put up a fight  
All my insecurities are coming now  
So let's talk about, why I hate myself  
I need to let myself, I need to be myself

(Sober) There's a thousand things that i'd rather be  
Than a loner, than a stoner  
I hate it when we're sober  
Don't ask my why I find it hard to breathe  
You will never, uncover
