

# Dixie Dolls

## Robbie Stewart

Thereâ€™s a funky little town down in Dixie Land  
Where the gators sway in the heat of a southern night  
And in that funky little town down in Dixie Land  
The gators sway to the beat of a Dixie band

(Chorus):

And theyâ€™ll dance across the water  
And theyâ€™ll waltz up to your door  
â€™Cause the rhythm that theyâ€™re hearing from your bedroom, mama  
Keeps their tails thumpinâ€™ for more  
So get your tail out on the dance floor  
Get your tail out on the dance floor

(Second Verse):

And there were lovely Dixie Dolls out there  
And the band played on and the music filled the air  
And if youâ€™d like to find your one true love  
Every night you can find her swimming with the gators down there

(Repeat Chorus):

I ainâ€™t no deceiver  
But lord let me tell ya, I believed in her  
She came from the other side of town  
And Iâ€™ll stand up there on your steeple  
And I'll shout down to all the people  
Good lord, Good lord

I love my Dixie Girl, I love my Dixie Girl  
â€™Cause the rhythm that theyâ€™re hearing from the bedroom, mama  
Keeps their tails thumpinâ€™ for more  
So get your tail out on the dance floor  
Get your tail out on the dance floor

(Repeat First Chorus):

I love my Dixie Girl, I love my Dixie Girl  
I love my Dixie Girl, I love those Dixie Girls

I love those Dixie Girls, I love my Dixie Girl
