

Persona (feat. Josh Haden)

Blue Man Group

Every morning, I put it on
I walk outside, and I am gone
And I don't seem to mind anymore
I can't think what it was like before I wore it all the timeOh, oh, ohIn the evening, I take it off
But there's another one underneath
And I can't seem to find the bottom of the stack
I might just lose my mind and never get it back
But at least I'll get insideOh, oh, ohAt least I'll get insideOh, oh, oh, ohThere's a feeling that I get sometimes
It's so small that it's easy to hide
It's like a howling voice from a distant past
It seems I've got no choice when it comes to this
It's building up insideOh, oh, ohIt's building up insideOh, oh, ohOh, oh, oh, ohOh, oh, oh, ohOh, oh, oh, oh
