I get a feeling all at once, in one bite,  
I will put you in my mouth like cheese  
Iâ€™ll smell your scent, enjoy your color  
and eat you more elegantly than drinking wine

But I have lost strength in my claw,  
my appetite is disappearing  
Am I sick? Do I have an illness?  
Yeah, heâ€™s in big trouble  
Snap out of it,  
how could your heart be stolen by a human?  
She is just one bite

Hey, just bite her,  
then shake her so sheâ€™ll lose her conscious  
Hey, do it with a style youâ€™ve never used,  
get rid of her before that full moon sets

Yes, wolf, Iâ€™m a wolf, ah wooooo,  
I love you  
Iâ€™m a wolf and youâ€™re a beauty  
Yes, wolf, Iâ€™m a wolf, ah wooooo,  
I love you  
Iâ€™m a wolf and youâ€™re a beauty

Canâ€™t reject this strong feeling,  
fall into it, I have let go of myself  
I like simple things,  
the things hidden inside of me have opened its eyes

Look at her, sheâ€™s fallen into fear,  
she canâ€™t understand the situation before her eyes  
â€œWill that dirty wolf guy eat me in the end?â€•  
Thatâ€™s not it, I have fallen in love

So beautiful, beautiful, beautiful (wolf)  
You are mine, mine, mine (wolf)  
Donâ€™t be scared, scared, scared of me

(A-ha)

Iâ€™m a special, special, special (wolf)  
A wolf who loves, loves, loves you (wolf)  
Who is blinded, blinded, blinded by you (wolf)

Hey, just bite her,  
then shake her so sheâ€™ll lose her conscious  
Hey, do it with a style youâ€™ve never used,  
get rid of her before that full moon sets

Yes, wolf, Iâ€™m a wolf, ah woaaa,  
I love you  
Iâ€™m a wolf and youâ€™re a beauty  
Yes, wolf, Iâ€™m a wolf, ah woaaa,  
I love you  
Iâ€™m a wolf and youâ€™re a beauty

I canâ€™t quit you, Iâ€™m in big trouble  
Oh~ Oh~ Ooh~  
I canâ€™t quit you, Iâ€™m in big trouble  
Yeah yeah yeah~

That yellow moon teases me,  
telling me I canâ€™t have you  
âœ“Youâ€™re just a wild beastâœ•  
If youâ€™re gonna say then, just go away,  
if I need to, Iâ€™ll change myself  
I canâ€™t ever let her go

Canâ€™t reject this strong feeling,  
fall into it, I have let go of myself  
I like simple things,  
the things hidden inside of me have opened its eyes

Canâ€™t reject this strong feeling,  
fall into it, I have let go of myself  
I like simple things,  
the things hidden inside of me have opened its eyes  
Yeah yeah~

Yes, wolf, Iâ€™m a wolf, ah woaaa,  
I love you  
Iâ€™m a wolf and youâ€™re a beauty  
Yes, wolf, Iâ€™m a wolf, ah woaaa,  
I love you  
Iâ€™m a wolf and youâ€™re a beauty
