

I Found Jesus In Time

Debra Snipes

I found Him
I found Him in time
I found Jesus
I found Him in time
Sometimes I cried all night long
Cause it seemed like everything's going wrong
Tossed and turned
Tears in my eyes
Then I found Jesus
By my side

So I tell it everywhere I go
That Jesus will save your soul
I found Him in time
I found Jesus in time
I found Jesus in time
In my soul

He's the sun shining bright
He's the moon coming out at night
He's your friend
Your all in all
If you need Him
All you have to do is call

I found Him in time
I found Him
I found Him in time
I found Jesus in time
I found Jesus in time
I found Jesus in time
In my soul

He's the sun shining bright
He's the moon coming out at night
He's your friend
Your all in all
If you need Him
All you have to do is call

I found Him in time
I found Him
I found Him in time
I found Jesus in time
I found Jesus in time
I found Jesus in time
In my soul
