Peter Is Riding His HorseÂ

Fool's Garden

I do not like the disco
I don't like the video
All I wanna do is ride
Life can be so pretty
And it would be a pity
If you were not by my sideLady Chambermaid
Won't you follow me ?
Don't you hesitate
The animals are free !Peter's riding his horse
Oh I don't know what it is
Peter's riding his horse
Girl I'm longing for your kiss
yippieh ai yeh
yippieh ai yehIsn't it a pity
Living in the city
Lady we can sleep at night
Can you see the blue sky
Our horses will fly
all we have to do is : RIDELady Chambermaid
Open up the doors
Don't you hesitate
you can be my h. h. h. h. . . . . .Peter's riding his horse
Oh I don't know what it is
Peter's riding his horse
Girl I'm longing for your kiss
yippieh ai yeh
yippieh ai yeh
