

# Other Side

## Rebelution

Ooh yea (x4)

How you feeling? How you feeling? People, take it easy canâ€™t you see that Iâ€™m busy now  
Iâ€™ve got a knack for some trouble believe me, and lately Iâ€™ve been trying to block it out  
Iâ€™ve got a strange little other side, a temptation that I try to hide  
Just like a pretty girl saying do or die \*that's right\*  
Oh, And I can tell when I look at you  
Oh, That youâ€™ve been going what Iâ€™m going through  
The same thing happens, the same thing happens  
But Iâ€™ve been thinking I can be a better man see  
Instead of taking life for granted I feel lucky to be alive, good how Iâ€™ll feel inside  
And from now on weâ€™re taking big strides

Ooh yea (x4)

Hold up, now yes Iâ€™m on something great, if you know you relate, no oneâ€™s perfect  
And if you think you canâ€™t count your mistakes, think again, cuz I know that you can  
Dear sir, Iâ€™m pretty sure that we grow every day based on simple mistakes that we make \*like\*  
There ainâ€™t no easy way, \*say it again,\* there ainâ€™t no easy way  
Oh, And I can tell when I look at you  
Oh, You know exactly what Iâ€™m going through  
The same thing happens, the same thing happens  
But you keep thinking you can be this better man see  
Instead of taking life for granted youâ€™ll feel lucky to be alive, good how youâ€™ll feel inside  
And from now on weâ€™re taking big strides.

Ooh yea And all through real life it goes like

Ooh yea (x7)
