

# Chemical Fight

## Suicide City

I make a hell of a human  
I like to torture all the women  
I'll make a global geisha girl love you  
Just because I think she wants too

I know what's wrong and what's right  
I make the chemicals fight

Violate full of hate rape my mouth  
comtemplate catapult the chemicals  
going down my throat

oh why  
The caterpillars are crawling  
the planets are all inbred  
the telephones are pissing on god  
albino bullets that fall
