Lay All Your Lovin On Me

5ive

This one right here, is for all you freaks!
Now I know what I like and I like what you got,
Get it on (c'mon)
and anyway you wanna write it get excited, don't you fight it baby
get me hot make me wanna come and hit you in that freaky spot,
you know, you know, you know, you know.
so we feelin' like we're taking off.
I wanna hit you off hard or soft smooth or rough. I can get the fire ignited
Now if you want to come and get it don't you fret it guarantee you won't regret it
as we kickin' bad athletics.
Check it out
Thigh high, even better.
High heels, black leather.
[BRIDGE]Try me, any weather.
I wanna give it to you lady, more than ever.
[CHORUS]'Cause when the heat hits the fan
Lay all your lovin' on me, (c'mon you know I'm gonna get ya)

Lay all your lovin' on me.
you won't find a better man. (so c'mon)
Strapped with the thigh high,
Lay all your lovin' on me.
leather down to the toes,
she even got leather panty hoes and only I know 'cause the girl nasty get at me
you know, you know, you know.
dangerous with them jeans and the thong on.
She got tattoos of cupid, she got me on one,
So the next time a girl hits you with the line lay your love on me.
Make a move for the waist line.
[BRIDGE][CHORUS]Gotta check it out can you feel it now we're comin' at you [X3]
Gotta check it out, gotta check it
check it out now.
[CHORUS x2
