Gold (Flume re-work)

Chet Faker

You gotta know, I'm feeling love
Made of gold, I never loved her
Another one, another you
It's gotta be love I said itYou gotta know, I'm feeling love
You gotta know, I'm feeling loveYou gotta know, I'm feeling love
Made of gold, I never loved her
Another one, another you
It's gotta be love I said itI might as well be in a garden
I said, ah
A smell in the air is a dripping rose
(you could be the one for me)
Another soul to meet my void then
Of anything bare that's made of goldA physical kiss is nothing without it
And you close your eyes to see what it's done
The body that lies is built up on looking
'Cause all that remains before it's begunYou gotta know, I'm feeling love
Made of gold, I never loved her
Another one, another you
It's gotta be love, I said itYou gotta know, I'm feeling love
Made of gold, I never loved her
Another one, another you
It's gotta be love, I said itA heart will swell before it's hardened
With the flick of the hair, it can make you old
Another hole to dig my soul in
I'll leave anything bare that keeps me soulAphysical kiss is nothing without it
And you close your eyes to see what it's done
The body that lies is built up on looking
'Cause all that remains before it's begunYou gotta know, I'm feeling love
Made of gold, I never loved her
Another one, another you
It's gotta be love, I said itYou gotta know, I'm feeling love
Made of gold, I never loved her
Another one, another you
It's gotta be love, I said itYou gotta know, I'm feeling love
Made of gold, I never loved her
Another one, another you
It's gotta be love, I said it
