How You Gonna Act Like That

Tyrese

It seems like just the other day that we hooked up
(I was drivin', you was walkin' and I swooped you up)
From that moment on I knew you were the one, yeah
(I was single, you was lonely and we fell in love)We would sit and talk for hours about anything
(Baby, you hung up, no, you hung up, on three hung up)
I bought your whip, I paid your rent, I gave you everything
(Said you'd always be my baby then you bounce)
How you gonnaHow you gonna up and leave me now?
How you gonna act like that?
How you gonna change it up, we just finished makin' up
How you gonna act like that?How you gonna act like we don't be makin' love
You know we be tearin' it up, breakin' stuff, that ghetto love
How you gonna trip, how could you forget?
How you gonna act like that?Girl, I never thought that lovin' you would hurt
(I did everything a good man would to make it work)
Girl, you should have told me you had second thoughts
(Like before I put the down on the house we bought)Now I'm thinkin' you and me was a mistake
(But then it hits me and I'm missin' all the love we made)
Girl, I know that we've been goin' through some things, yeah
(But the sun is somewhere shinin' even when it rains, oh)I'll be the one you kick it to
I'll be the one that misses you
I'll be the one to ease your pain
I'll be the one you want againAnd you'll be the one I can't forget
You'll be the one that's heaven sent
You'll be the one I can't deny
You'll be the one that makes me cry, babyHow you gonna up and leave me now?
(Why you do?)
How you gonna act like that?
(Why you gotta act like that?)How you gonna change it up, we just finished makin' up
(Whoa, ho, baby)
How you gonna act like that
(But I need you)How you gonna act like we don't be makin' love
(Oh, whoa, baby, baby)
You know we be tearin' it up, breakin' stuff that ghetto love
How you gonna trip, how could you forget?
How you gonna act like that?You know I'm willin' to do anything
Just to keep you in my heart
(Keep you in my heart)
I messed around and gave up everythingI thought we'd never part

(Yes, I did, baby)
I was a player and I made the choice to give my heart to you
And I gotta keep it that way, ooh, babyHow you gonna up and leave me now?
(Ooh, baby)
How you gonna act like that?
(Why you gotta treat me this way?)How you gonna change it up?
(Why you treat me wrong?)
We just finished makin' up
How you gonna act like that?
(Can me somebody tell me why)How you gonna act like we don't be makin' love
(Why? Why? Hey)
You know we be tearin' it up, breakin' stuff that ghetto love
(Oh, oh, baby)How you gonna trip?
(All my friends became your friends)
How can you forget?
(All my ends became your ends)
How you gonna act like that?Keepin' it ghetto
(All I want is you, how you gonna act like that?)
Keepin' it ghetto
(All I needed is you, how you gonna act like that?)Keepin' it ghetto
(All I needed is you)
(You know we be tearin' it up, breakin' stuff, that ghetto love)
Keepin' it ghetto
(All I need is you, all I need is you, babe)How you gonna up and leave me now?
How you gonna act like that?
How you gonna change it up, we just finished makin' up
How you gonna act like that?How you gonna act like we don't be makin' love
You know we be tearin' it up, breakin' stuff, that ghetto love
How you gonna trip, how could you forget?
How you gonna act like that?
