

Help Me to Heal

Olivia Newton-John

If I reach out my hand
Will you hold me
Will you help me to stand if I fall
If I can't say my name
Will you know me
Oh will I still be me
If I lose it at all Help me to heal
Help me to feel
All I know is what I see
So won't you help me to believe
Help me to heal If I'm not all I was
Will you love me
I'm afraid if I change you might go
As I face the unknown
Are you with me
Cause you know I can't do this alone Help me to heal
Help me to feel
All I know is what I see
So won't you help me to believe
Help me to heal I know I'll find the strength to fight
If I can trust I'm gonna be alright
So walk me through my darkest fears tonight Help me to heal
Help me to feel
All I know is what I see
So won't you help me to believe
Help me to heal
