

Shake

Small Faces

Listen while I'm talking to you
I tell you what we're going to do
There's a new thing goin' around
And I'll tell you what it's puttin' down
Move your body all around And do, shake

Early in the morning

Shake

I said, later in the evening

Shake

I'm long gone baby, now
ShakeShakin' like a bowl of soup
Legs go loop the loop
Put you hand upon your hip, now
Come on, and let your back bone slip, yeah
Move your body like your hip Now, do, shake

Early in the morning

Shake

I said, later in the evening

Shake

That's the way you do it, now
Shake, come on Ding a ling a ling
Oh baby, shakin' is the latest thing
You wanna really roll

You got to do this thing with soul If you wanna really roll

You gotta do this thing with soul
Shake it, shake with all your mind, yeah
If you do it, do it right, now
Make you body loose And do, shake

Early in the morning

Shake

I said, later in the evening

Shake

I'm long gone baby now
Shake If you wanna really roll
You gotta do this thing with soul
Shake it, shake with all your mind
If you do it, do it right, now
Make you body loose And do, shake
Early in the morning

Shake
I said, later in the evening
Shake
I'm long gone baby, now
Shake, oh yeahAll right
Early in the morning
Later on the evening
I says, come on children
You gotta get on the sea with me
